Notes to the Agenda

St Mary's Church Weaverham is a local Ecumenical Partnership between the Anglican Church and Parish of St Mary the Virgin; Weaverham and Weaverham Methodist Church. It is governed by an agreed constitution that was adopted 23rd November 2009.

The life of the Partnership is run through one series of Ecumenical Church Council meetings that reflect the normal management of the partner churches, rather than through three separate meeting structures which would be required by both partner church organisations and the LEP constitution. Managing the Partnership in this way reflects and affirms the sense of unity within St Mary's Church and reduces what would be an unnecessarily cumbersome meeting load.
