**Mid Cheshire Foodbank** - Apart from our special Harvest collection today, there is always a box at the back of church for your contributions. Please ensure that all food is within its sell by date and is not a 'part' of a full pack. Thank you to all of you who help to support the Foodbank, its needs are ongoing.

**London Marathon - Today - 3rd October** - Maria is running the Marathon for St. Lukes Hospice. **Please include her in your prayers.** Maria says: 26.2 miles is a very long way and I have grown along with the hard work of the training plan. On days that have been very difficult, I have often doubted my capabilities, I have reminded myself how difficult it is to find oneself needing the support of St. Lukes. My running is accompanied by prayer and song...every time I step out, I pray. I also write the bible verse of the day, usually on my wrist, so I can meditate and reflect, keeping focus on the Word. You can still sponsor Maria - go to: <https://www.justgiving.com/Maria-Nicholson6>
