A ROCHA - ECO CHURCH BRONZE AWARD

Earlier this year we signed up to become an eco-friendly church. As a start we had to complete a fairly comprehensive document about how we at St. Mary's already care for God's earth in different areas of our church life and work. This showed that we were doing well enough to achieve a Bronze Award. However, there is much work to do now as we work towards the Silver Award. We hope you will all help with ideas and suggestions.
